

## WSHSB PRACTICE REPORT

To ensure progress and their contribution to the band, students must practice their music on a regular basis each week. The suggested minimum time is 30 – 45 minutes per day, 5 days per week for Cadet and Concert bands, and 45 - 60 minutes per day for Symphonic band. Parents may adjust this time to meet the need or ability of their student as long as the student can continue to be a contributing member of the band. Please talk to the Director if your child is meeting this minimum practice time and is not able to keep up.
