

Warrenville Independence Eve Parade - Instructions
Friday, July 3, 2009

Parents, please remember to have your cell-phone with you, and on, in case we need to reach you for any unforeseen reason on the day of the parade.

In case of threatening weather –

Since the director does not run the parades and weather is beyond her control it is a parent's decision whether or not their child participates if weather is threatening. The director will always be present at the parade, for those who decide to attend. If rain is predicted, those marching should bring a clear poncho. Inexpensive ones can be purchased at Target or Wal-Mart.
