Registration fees and Family Fee waived for student tuba, horn, and oboe players.

All per student fees must be paid at the time of registration. We would appreciate the family fee at the same time. However, for those who may find the addition of the family fee financially burdensome, there is an alternative. You may cover your family fee (only) by making a commitment to obtain \$25 worth of Well Wisher's for the Concert Program. This can be any combination of \$5 and \$10 ads or a single \$25 Well Wisher.

Please indicate below how you choose to pay your family fee.

- We are including our \$25 family fee with our registration.
 We will gather \$25 worth of Well Wisher ads for the concert program.

I am renewing my instrumental rental and including payment of \$40.
