

Wednesday update – May 18, 2005

End-Of –The Concert Season / Beginning of Marching Season
Collection Date

BOOSTER NOTES

Thank you to all of the parents and older brothers and sisters who have helped out in a variety of ways this year!

If you're able to stay and help out with music score sorting on Thursday night we'd love to have your assistance. No music ability is necessary - just the ability to read.

If your child is planning to attend band camp, and you are able to stay any of the days and assist with tasks as they are needed please let us know.

Also please let us know if you can assist with duties for any of the parades.

Please take a look at the list of Booster tasks and begin thinking about where you might be able to share your talents next year.

NOTE FROM THE DIRECTORS

Thanks to everyone on a great concert!! Thanks for all the flowers and beautiful expressions of thanks. They are much appreciated. Sincerely, Mrs. Borow, Mrs. Wiesner-Pardee, Mrs. Pfauth

PROCEDURES FOR THURSDAY, MAY 19, 2005

This Thursday you will need to return your music, rental instruments, cummerbunds, bow ties, percussion equipment, etc. There is no band practice other than for summer marching band.

Arrival times are different than usual:

All band members who are not participating in summer marching band should plan on arriving at Resurrection at 6 PM. Once you have returned everything, and been checked off, you are free to go.

Marching band participants should arrive at 6:30 PM and should also bring their marching instruments, lyre and flip-folder. You do not need your music stand. Once all have returned their items, turned in their registration, etc., we will begin practicing for summer marching band and the DuPage County Fair. Once we can begin, the practice will last an hour at most.

In an effort to have things run as smoothly as possible there are two documents which you will need to read thoroughly. One is the "**WSHSB 2005 - End of Year Procedure**" the other is "**WSHSB 2005 - Instructions for Returning Music**", both of which are on the website. It is very important that you arrive on Thursday, with all your items and music ready to be returned, knowing what to expect.

Reminder:

All members must remember to read the "2005-2006 WSHSB Member Information" and begin make their declarations (if that still has not been done) and start practicing for their audition tape.

**Congratulations again on a great year!
Have a wonderful summer.**
